This programmes offers children from low-income families who are newly enrolled in My First Skool centres to receive a one-time \$400 top-up into their Child Development Account.

HEALTH AND WELL-BEING PROGRAMMES

YOU'VE GOT TALENT PROGRAMME

347 Children

Through the You've Got Talent programme, children are provided with opportunities to build their confidence and boost their self-esteem by participating in various sports and arts enrichment programmes.

FAMILY AND SCHOOL TOGETHER

1,092 Participants

The Family and School Together (FAST) programme offers educational tours and excursions for families to promote bonding time between parents and children through fun activities. This year, participants were able to enjoy a day brimming with science adventures and exciting activities at the Singapore Science Centre.

Thank you Bright Horizons Fund and My First Skool for organising this event for my family. Having a big family of 6, bringing my children to attractions like this can be costly. My children had a lot of fun learning and playing with their classmates at the event. We also had the opportunity to spend quality time with our children and learn new things ourselves. Our favourite activity was KidsStop as the activities were so interactive! Thank you once again for the fun day out!

YOU ARE SPECIAL! PROGRAMME

626 Children

Under this programme, children from low-income families will receive a birthday gift pack on their special day.

INFANT NUTRITION PROGRAMME

74 Children

The Infant Nutrition Programme supports My First Skool Children (up to 36 months old) from low-income families to afford a range of infant nutritional products necessary for their growth.

HEALTHY BODY, HEALTHY MIND WORKSHOP

86 Families

The workshop provides tips and strategies for parents to develop good eating habits in children and help caregivers to take care of their own well-being.

CAREGIVER CONVERSATIONS

119 Families

The workshop aims to build resilience in parents to better support their children's development and to equip them with skills to manage anger, defiance and aggression in children.

LEARNING PROGRAMMES

CLASSROOM SUPPORT PROGRAMME

583 Children

The Learning Facilitators conduct small-group activities to support children from low-income families to enhance their academic and social-emotional performance in the classroom. 212 children out of the 583 children which benefitted from the programme were under the 7 MFS centres that is funded by CapitaLand Hope Foundation.

BRIGHT HORIZONS FUND BOOK HAMPER PROGRAMME

2,139 Families

The programme seeks to foster good reading habits in N2 to K2 children from low-income families who may lack the financial means to purchase books.

The Book Hamper Programme has truly benefitted us! Before bedtime, I share the stories from the books with Amelia and her younger sister. This helps promote family bonding while encouraging my children to read at home.
